Reference: Compliance filing to set effective date for Energy Storage Resource provisions

On August 12, 2020, in compliance with the requirements of the Commission's August 6, 2020 order in this proceeding,<sup>1</sup> New York Independent System Operator, Inc. (NYISO) filed revisions to its Market Administration and Control Area Services Tariff to reflect August 26, 2020 as the effective date on which the changes to clarify the rules applicable to Energy Storage Resource provision of operating reserves would become operational.<sup>2</sup> The compliance filing satisfactorily complies with the requirements of the Commission's August 6, 2020 order.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2019), your submittal is accepted for filing, effective August 26, 2020, as requested.

The filing was noticed on August 12, 2020, with comments, interventions, and protests due on or before September 2, 2020. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2019)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.
