Reference: Engineering & Procurement Agreement with Atlantic Wind, LLC

On September 4, 2020, Niagara Mohawk Power Corporation (Niagara Mohawk) filed an engineering and procurement agreement between Niagara Mohawk and Atlantic Wind, LLC (Atlantic Wind).¹ The engineering and procurement agreement is an agreement to facilitate the performance of certain work that Atlantic Wind has requested Niagara Mohawk to do in connection with the interconnection of an Atlantic Wind generation facility.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307 (2019), your submittal is accepted for filing, effective August 10, 2020, as requested.

The filing was noticed on September 4, 2020, with comments, interventions, and protests due on or before September 25, 2020. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2019)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be
