NOTICE OF EXTENSION OF TIME

(April 19, 2023)

On April 13, 2023, Niagara Mohawk Power Corporation (Niagara Mohawk) filed a motion requesting an extension of time, from April 27, 2023, to May 29, 2023, to respond to Commission's deficiency letter issued by the Office of Energy Market Regulation (OEMR) staff. Niagara Mohawk asserts that good cause exists to grant the extension of time because the additional time will allow Niagara Mohawk to fully respond to OEMR staff's questions and provide a strong record for a Commission decision.

Upon consideration, notice is hereby given that Niagara Mohawk's requested extension of time is granted, and the deadline for submitting its response to the Commission's deficiency letter is extended to and including May 29, 2023.
