Attention: Kristin A. Bluvas
Attorney for New York Independent System Operator, Inc.

Reference: Compliance Filing

Dear Ms. Bluvas:

On May 20, 2010, you submitted on behalf of New York Independent System Operator, Inc. (NYISO) revisions to its Market Administration and Control Area Services Tariff (Tariff) to comply with the Commission's April 23, 2010 Order.¹ In compliance NYISO clarifies that violations of the Commission's orders, rules and regulations also violate the NYISO tariff, deletes the final two sentences from Section 4.1.6a(2), and adds the word "other" to Section 4.1.6a(3) consistent with the Commission's instructions. Pursuant to the authority delegated to the Director, Division of Electric Power Regulation - East, under 18 C.F.R. § 375.307 (2009), your submittal in the above-referenced docket is accepted, as designated, effective December 27, 2009.

Notice of NYISO's compliance filing was published in the Federal Register with interventions and comments due on or before June 10, 2010. No interventions, protests or adverse comments were filed.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action

¹ See 131 FERC ¶ 61,064 (2010).

is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against NYISO.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713 (2009).

Sincerely,

Jignasa Gadani, Director
Division of Electric Power
Regulation - East
