Docket Nos. ER11-3663-000

Issued: 7/21/11

New York Independent System Operator, Inc.

Rensselaer, New York 12144

Attention: Mollie Lampi, Esquire  
Assistant General Counsel

Reference: Operating Protocol for the Implementation of Consolidated Edison  
Company of New York and PJM Interconnection, L.L.C.  
Transmission Service Agreements (Schedule C)

Dear Ms. Lampi:

On May 27, 2011, the New York Independent System Operator, Inc. (NYISO) filed revisions to its Open Access Transmission Tariff (OATT) relating to Schedule C and the appendices thereto. NYISO states that the revisions reflect two modifications.

For the first modification, NYISO proposes to remove Schedule C from Section 35.20 of the OATT and insert it in Section 35.21, where the appendices to Schedule C are currently located. NYISO requests an effective date of July 25, 2011, which is 60 days from the date of its filing in this proceeding.

For the second modification, NYISO proposes to correct the effective date for Schedule C and its appendices. NYISO states that in its eTariff baseline filing it inadvertently reflected an effective date of May 1, 2010, rather than June 30, 2012, the effective date approved by the Commission for Schedule C and its appendices.<sup>1</sup> In this proceeding, NYISO proposes to correct that error.
