**Re: Niagara Mohawk Power Corporation  
Docket No. ER18-2071-000**

**Amendment Filing to the Notice of Cancellation of Superseded  
Interconnection Agreement with the Village of Ilion**

Dear Secretary Bose:

On July 27, 2018, Niagara Mohawk Power Corporation (“Niagara Mohawk”) submitted for Commission acceptance a Notice of Cancellation of a superseded Interconnection Agreement (“Interconnection Agreement”) between Niagara Mohawk and the Village of Ilion (“Ilion”).<sup>1</sup> Niagara Mohawk requested that the Commission accept this Notice of Cancellation effective 61 days after the date of the July 27 filing, *i.e.*, September 26, 2018. The July 27 filing should have included the Interconnection Agreement and its two exhibits. However, due to a technical issue with the xml conversion of the three files, only the exhibits were submitted. Therefore, in order to complete the record, Niagara Mohawk is refiling under an amendment type of filing code Record Id 61 – Service Agreement No. 1755 (see Attachment I).

**I. Effective Date**

Niagara Mohawk reiterates its request that the Commission accept the Notice of Cancellation effective 61 days after the date of the July 27 filing, *i.e.*, September 26, 2018.<sup>2</sup>

---

<sup>1</sup> The Interconnection Agreement is designated as Service Agreement No. 1755 under the Open Access Transmission Tariff (“OATT”) of the New York Independent System Operator, Inc. (“NYISO”).

<sup>2</sup> To the extent necessary, Niagara Mohawk respectfully requests waiver of the notice requirements set forth in Section 35.15 of the Commission’s regulations (18 C.F.R. § 35.15), to permit the requested September 26 effective date.
