## ASSET PURCHASE AND SALE AGREEMENT

THIS ASSET PURCHASE AND SALE AGREEMENT (the "Agreement") is made and entered into as of April \_\_, 2011 by and between **Niagara Mohawk Power Corporation** d/b/a National Grid, a New York corporation ("National Grid" or "Buyer") and the **Village of Churchville**, a New York municipal corporation (the "Seller" or "Churchville"). Seller and Buyer are each a "Party" and are, collectively, the "Parties" hereto.

WHEREAS, Buyer wishes to purchase, and Seller is willing to sell, the assets identified on Exhibit A attached hereto, subject to the terms of this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Seller and Buyer agree as follows:

### ARTICLE I PURCHASE AND SALE

1.1 Assets to be Sold to Buyer. Subject to the terms and conditions contained in this Agreement, at Closing (as defined below), Seller shall convey, grant, bargain, sell, transfer, release, deliver and confirm to Buyer, and Buyer shall purchase, at Closing (as defined below) good, clear and marketable title to the assets identified on Exhibit A attached hereto and made a part hereof (the "Assets") free and clear from any defects, liens, encumbrances and claims of any kind.

1.2 Inspection. Buyer has inspected and tested the Assets. Prior to the Closing, Seller shall permit representatives of Buyer, at all reasonable hours, to have full access to, and make copies of, all books, records, properties, abstracts of title, surveys, Phase I and Phase II environmental assessments, and other matters to the extent that they relate to the Assets.

1.3 Purchase Price, Costs and Taxes. Buyer shall pay Seller at Closing one dollar (\$1) as the purchase price for the Assets (the "Purchase Price"). Seller shall pay all costs for delivering the Assets to Buyer, all such amounts being deemed included in the Purchase Price. The Purchase Price shall be paid to Seller in immediately available funds by check or by wire transfer or such other means as may be mutually agreed by the Parties prior to Closing.

Each Party shall be responsible for its own costs incurred in connection with the transactions contemplated by this Agreement. Seller shall be responsible for any use, income, or other transfer taxes, if any, imposed by reason of the transfer of the Assets hereunder.

1.4 Transfer of Title and Delivery. At the Closing, Seller shall convey the Assets to Buyer by delivery of a Bill of Sale in the form set forth in Exhibit B attached hereto and made a part hereof (the "Bill of Sale"). Upon execution and delivery of the Bill of Sale, and Seller's receipt of the Purchase Price at Closing, (i) title to the Assets shall vest in Buyer as contemplated in this Agreement and the Bill of Sale, and (ii) the Assets shall be delivered in situ.

1.5 Risk of Loss. Risk of loss or damage to the Assets shall remain with Seller until the Assets are delivered to Buyer at the Closing. If any portion of the Assets is destroyed or damaged by any

cause prior to the Closing, Seller shall promptly give notice to Buyer of such damage or destruction and the amount of insurance, if any, covering such Assets. Prior to the Closing, Buyer shall have the option (which shall be exercised by written notice to Seller within five (5) business days after receipt of Seller's notice or, if there are not five (5) business days remaining prior to the Closing Date, as soon as possible but not less than forty-eight (48) hours prior to the Closing) of (i) accepting the Assets in their destroyed or damaged condition, in which event any insurance proceeds payable to Seller with respect to the Assets shall be assigned to Buyer, and the full Purchase Price shall be paid for the Assets, (ii) postponing the Closing until such time as Seller shall have repaired, replaced or otherwise reconstructed the Assets, which reconstruction shall be completed not later than sixty (60) days following Buyer's notice under this Section, failing which Buyer shall have the right to terminate, (iii) not accepting the destroyed or damaged Assets and adjusting the Purchase Price by the value of the destroyed or damaged Assets, or (iv) terminating this Agreement without incurring any liability whatsoever.

1.6 Documents. Seller shall deliver to Buyer at Closing all documents relating to the Assets, including copies of purchase documentation and data, manufacturer's trade prints and test reports, manuals, maintenance records, specifications, plans, warranties, correspondence and a complete set of updated as-built drawings for the Assets in both manual and electronic format as specified by Buyer.

1.7 Regulatory Approvals. The transactions contemplated by this Agreement are subject to the receipt of any required approvals from regulatory agencies having jurisdiction over such transactions ("Required Regulatory Approvals"), which may include, without limitation, the New York State Public Service Commission ("NYPSC") and the Federal Energy Regulatory Commission ("FERC"). Buyer agrees to make the appropriate filings with any such regulatory agencies (the "Applications") following execution and delivery of this Agreement. The Parties agree to use their respective commercially reasonable efforts to obtain any and all Required Regulatory Approvals. The terms and conditions of this Agreement are expressly contingent upon all Required Regulatory Approvals, if any, each being granted without the imposition of any modification or condition of the terms of this Agreement or the subject transaction, unless such modification(s) or condition(s) are agreed to by both Parties in their respective sole discretion. If any Application is made and is denied, or is granted in a form, or subject to conditions, that either Party rejects, in its sole discretion, as unacceptable, this Agreement shall terminate as of the date that a Party notifies the other Party of such denial or rejection, in which event the obligations of the Parties under this Agreement shall cease and this Agreement shall terminate without recourse to the Parties.

The respective representations and warranties made by Seller and Buyer in this Agreement shall be deemed remade as of the Closing with the same force and effect as if in fact made at that time. All representations and warranties made in this Agreement shall survive and shall not merge at Closing. Anything in this Agreement to the contrary notwithstanding, the effect of the representations and warranties made in this Agreement by Seller shall not be diminished or deemed to be waived by any inspections, tests or investigations with respect to the Assets made by Buyer or its agents, contractors or employees. The provisions of this Section shall apply notwithstanding any other provisions of this Agreement, and shall survive termination, expiration, cancellation, or completion of this Agreement and Closing.

#### **ARTICLE IV** **LIABILITY AND INDEMNIFICATION**

4.1 No Assumption of Liability. Anything in this Agreement to the contrary notwithstanding, the Buyer shall not assume, and shall not be deemed to have assumed or otherwise become liable for, any liability, debt, claim, or obligation of the Seller whatsoever, whether in connection with the Assets or otherwise, known or unknown, accrued or contingent.

4.2 Indemnity. To the fullest extent permitted by applicable law, Seller agrees, on behalf of itself and any other person or entity acting on behalf of Seller, to defend with counsel satisfactory to Buyer and to pay, protect, indemnify, release and save harmless Buyer and its direct and indirect parents and affiliates and their successors and assigns and any of the officers, directors, employees, agents, contractors, and shareholders of any of them ("*Indemnified Parties*"), from and against any and all liabilities, damages, losses, costs, expenses (including any and all reasonable attorneys' fees and disbursements), causes of action, suits, claims, damages, penalties, obligations, demands or judgments of any nature, including death, personal injury and property damage, economic damage (including Buyer's cost of Capital, loss of revenue and profits, and power interruption, business interruption or power quality claims of both Buyer and its customers), claims brought by third parties for personal injury and property damage, economic damage, or environmental damage or harm (including for investigation, response, removal, clean-up, and/or remediation for any Release of Hazardous Substances), (i) in connection with the Assets to the extent arising, directly or indirectly, from events occurring prior to the Closing, (ii) to the extent arising from any breach or nonperformance under this Agreement or the Bill of Sale by Seller, including any breach of Seller representations or warranties, or (iii) arising out of the failure of any of the rights in and to the Assets or Warranties to vest in Buyer upon the transfer of the Assets to Buyer as contemplated hereunder.

4.3 Defense and Costs. Seller shall take prompt action to defend and indemnify the Indemnified

Parties against claims, actual or threatened, but in no event later than notice by Buyer to Seller of the service of a notice, summons, complaint, petition or other service of process alleging damage, injury, liability, or expenses that may be subject to indemnification hereunder. Seller shall defend any such claim or threatened claim, including, as applicable, engagement of legal counsel satisfactory to Buyer, to respond to, defend, settle, or compromise any claim or threatened claim. In the event that Seller (i) fails to promptly undertake such defense, (ii) fails to pay said defense costs and damages, (iii) uses counsel not reasonably acceptable to the Indemnified Parties or (iv), does not allow the Indemnified Parties to be part of the settlement or compromise discussions, then the Indemnified Party(ies) shall have the right, but not the obligation, to undertake such defense and settlement discussions. In the event an Indemnified Party undertakes its own defense or pays any associated damages, whether by settlement or pursuant to judicial order, judgment or decree, then Seller shall not raise or plead as a defense to a claim by the Indemnified Party for reimbursement for all or any part of the expense so incurred that in doing so the Indemnified Party acted as volunteer or waived its right to defense, indemnification, or insurance coverage reimbursement in accordance with this Agreement. Seller understands and agrees that it shall be responsible for any and all reasonable costs and expenses incurred by Indemnified Parties to enforce this indemnification provision. Such costs incurred by the Indemnified Parties can include attorney's fees and expenses for litigation, accounting, consulting or engineering fees and related expenses, judgments, liens and encumbrances arising from such lawsuits, actions or claims whenever made or incurred. Furthermore, Seller shall, at its sole cost and expense, testify, as required by the Indemnified Parties, at any judicial or administrative proceeding, or deposition, and shall be responsible to reimburse the Indemnified Parties for any damages the Indemnified Parties pays as a result of Seller's failure to comply with its indemnification obligations under this Article.

4.4 Survival. The provisions of this Article shall survive termination, expiration, cancellation, or completion of this Agreement and Closing.
