Re: Hilltop Q807 Solar Small Generating Facility – Termination of Interconnection Agreement

Dear New York Independent System Operator and National – Grid,

Pursuant to Section 3.3.1 of the Interconnection Agreement, this letter serves as formal written notice that the Interconnection Customer hereby elects to terminate the Interconnection Agreement for the Hilltop Solar Q807 Project.

In accordance with the requirements of Section 3.3.1, this termination shall become effective twenty (20) business days from your receipt of this notice.

Please confirm receipt of this notice and advise of any additional steps required to complete the termination process and withdrawal of the project from the NYISO interconnection queue.

Thank you for your attention to this matter.

Clayton W. Robinson

Vice President, Grid Integration

Interconnection Customer Representative
