Re: Notice of Cancellation of Service Agreement No. 2576 to the New York Independent System Operator, Inc.'s Open Access Transmission Tariff, Docket No. ER26-_____

Dear Ms. Reese:

Pursuant to Section 205(d) of the Federal Power Act¹ and Sections 35.9 and 35.15 of the Commission's regulations,² the New York Independent System Operator, Inc. ("NYISO") hereby tenders for filing and acceptance a Notice of Cancellation of the Amended and Restated Small Generator Interconnection Agreement ("Amended Agreement") for the Sky High Solar Project (NYISO Queue Position No. 545) among the NYISO, Niagara Mohawk Power Corporation d/b/a National Grid ("National Grid") as the Connecting Transmission Owner, and Sky High Solar LLC ("Sky High") as the Interconnection Customer (collectively, the "Parties"). The Amended Agreement is designated as Service Agreement No. 2576 of the NYISO's Open Access Transmission Tariff ("OATT").

I. Background

The Amended Agreement concerns the interconnection of Sky High's proposed 20 MW solar generating facility to National Grid's transmission system. The Amended Agreement was fully executed by the Parties on January 19, 2022, and superseded the Small Generator Interconnection Agreement ("Original Agreement") previously executed by the parties on November 16, 2020. The interconnection agreement included certain non-conforming revisions to the NYISO's *pro forma* Small Generator Interconnection Agreement ("Pro Forma SGIA") located in Attachment Z of the NYISO OATT, which non-conforming revisions were filed with, and accepted by, the Commission.³

¹ 16 U.S.C. § 824d.

² 18 C.F.R. §§ 35.9, 35.15 (2025).

³ The Original Agreement included certain non-conforming revisions to the NYISO's Pro Forma SGIA and was filed with and accepted by the Commission. *See New York Independent System Operator, Inc.*, Letter Order, Docket No. ER21-474-000 (Jan. 19, 2021). The Amended Agreement did not contain any non-conforming variations from the NYISO's Pro Forma SGIA other than the variations already filed with and accepted by the Commission for the Original Agreement. *See New York Independent System Operator, Inc.*, Letter Order, Docket No. ER22-977-000 (Mar. 4, 2022).

II. Notice of Cancellation

Article 3.3.1 of the Amended Agreement provides that the “Interconnection Customer may terminate this Agreement at any time by giving the NYISO and Connecting Transmission Owner 20 Business Days written notice.” Article 3.3 further provides that the termination of the agreement will not be effective “until the Parties have complied with all Applicable Laws and Regulations applicable to such termination, including the filing with FERC of a notice of termination of this Agreement (if required), which notice has been accepted for filing by FERC.”

On June 12, 2026, Sky High provided written notice to the NYISO and National Grid that it was acting pursuant to Article 3.3.1 to terminate the Amended Agreement (“Termination Notice”). A copy of the Termination Notice is included as Attachment I.⁴ The twenty (20) Business Day period was completed on July 14, 2026.

Therefore, pursuant to Article 3.3 of the Amended Agreement, the Amended Agreement is terminated, subject to the Commission accepting this notice terminating the Amended Agreement. Accordingly, the NYISO hereby submits this Notice of Cancellation of Service Agreement No. 2576 of the NYISO OATT for the Commission’s acceptance.

III. Requested Effective Date

The NYISO respectfully requests that the proposed cancellation become effective on October 31, 2026 (*i.e.*, the day after the end of the statutory 60-day notice period).

IV. Documents Submitted

The NYISO submits the following document with this filing letter:

- Sky High’s Termination Notice (dated June 12, 2026) (Attachment I).
- Sky High’s July 20, 2026, email regarding disclosure of Termination Notice (Attachment II).

⁴ The Termination Notice was labeled as Private & Confidential. In a July 20, 2026, email, Sky High (through its parent company – Boralex) informed the NYISO and National Grid that it authorized the disclosure of the Termination Notice “to the extent necessary for purposes of the termination process, including any required regulatory, administrative, or other related filings.” This email is attached as Attachment II.

V. Communications and Correspondence

All communications and service in this proceeding should be directed to:
