Re: Supplemental filing to attach a Certificate of Service to NYISO's Compliance Filing submitted November 15, 2010 in Docket Nos. ER10-2062-___ and ER10-1977-___.

Dear Ms. Bose:

On November 15, 2010, the New York Independent System Operator, Inc. ("NYISO") submitted its Compliance Filing in response to the Commission's Orders *Accepting and Suspending Tariff Revisions Subject to Conditions* issued September 29, 2010 in Docket Nos. ER10-1977-000, *et al.*¹ and ER10-2062, *et al.*² In its filing, the NYISO inadvertently neglected to attach a certificate of service.³ As indicated by the service section of the filing letter, however, the filing was properly served upon each person on the official service lists in both dockets, each participant on the NYISO's stakeholder committees, the New York Public Service Commission, the electric utility regulatory agency of New Jersey, and posted to the NYISO's website.

Therefore, the NYISO respectfully requests leave to supplement the record to include the certificate of service.
