**Re: *TC Ravenswood, LLC, Docket No. ER14-1711 and New York Independent System Operator, Inc., Docket No. ER14-1822 (Not Consolidated), Compliance Filing of Settlement Document in eTariff Format***

Dear Secretary Bose:

Pursuant to Paragraph 19 of the Commission's December 5, 2014 order approving the uncontested settlement in these dockets,<sup>1</sup> the NYISO is submitting the Settlement in its entirety as tariff records in eTariff format with a May 1, 2014 effective date. The Offer of Settlement with its public Appendices A and B, signature pages, an Explanatory Statement and a privileged and confidential Appendix B were initially submitted by TC Ravenswood, LLC, the New York Independent System Operator, Inc., Consolidated Edison Company of New York, Inc., the City of New York, New York Power Authority, and the New York State Public Service Commission on October 20, 2014.

The Offer of Settlement with its two public Appendices, Appendix A and Appendix B, will be added to the NYISO Agreements section of the NYISO's eTariff. The Explanatory Statement and privileged Appendix B will be submitted but will not appear in the NYISO Agreements eTariff record. The NYISO is requesting that the Commission treat the non-public Appendix B as privileged material pursuant to 18 C.F.R. § 388.112.

The privileged Appendix B contains commercially sensitive and valuable information concerning the costs TC Ravenswood experiences to respond to the New York State Reliability

This protective order is available if disclosure of the privileged Appendix B is sought.<sup>2</sup>
