## VIA E-TARIFF FILING

Ms. Kimberly D. Bose  
Secretary  
Federal Energy Regulatory Commission  
888 First Street, NE  
Washington, DC 20426

**RE: Niagara Mohawk Power Corporation  
Docket No. ER11-4140-000  
Small Generator Interconnection Agreement between Niagara Mohawk  
Power Corporation and WM Renewable Energy, LLC**

Dear Secretary Bose:

On Friday, July 29, 2011, Niagara Mohawk Power Corporation d/b/a National Grid (“Niagara Mohawk”) authorized the New York Independent System Operator, Inc. (“NYISO”) to submit on behalf of Niagara Mohawk an Interconnection Agreement between Niagara Mohawk and WM Renewable Energy LLC. The Agreement is designated as Service Agreement No. 1164 under the NYISO open access transmission tariff. The NYISO submits service agreements under the NYISO on behalf of Niagara Mohawk to comply with the Commission’s electronic tariff filing requirements.<sup>1</sup>

Due to a technical error related to the conversion of source documents to a version that complies with electronic tariff requirements, the Table of Contents to the Interconnection Agreement as submitted to the Commission contains errors. Niagara Mohawk now submits a corrected electronic tariff version of the Agreement that corrects these non-substantive errors.

Niagara Mohawk continues to request waiver of the Commission’s notice requirements to allow the Interconnection Agreement to become effective as of the date of execution, *i.e.*, June 23, 2011.
