**Re: *New York Independent System Operator, Inc.*, Errata to Compliance Filing,  
Docket No. ER12-2414-00[ ]**

Dear Ms. Bose:

The New York Independent System Operator, Inc. (“NYISO”) is filing this errata to its August 6, 2012 compliance filing in response to the Commission’s June 22, 2012 order<sup>1</sup> in Docket No. EL11-42-000 (“August 6 Filing”). The errata is necessary to submit correct versions of the tariff documents that were attached to the August 6 filing, as further explained below. The proposed revisions included in the tariff documents that are the subject of this errata were accurately described in the filing letter included with the August 6 Filing.

**I. LIST OF DOCUMENTS SUBMITTED**

1. The errata letter;
2. A blacklined version of the modifications to Attachment H Section 23.4 of the Market Administration and Control Area Services Tariff (“Services Tariff”) (“Attachment I”); and
3. A clean version of the modifications to Attachment H Section 23.4 of the Services Tariff (“Attachment II”).

**II. ERRATA**

Immediately after filing the NYISO realized that it had inadvertently attached an incorrect version of the proposed compliance tariff modifications to Services Tariff Attachment H Section 23.4 that did not reflect the revisions to Sections 23.4.5.7.2.4, 23.4.5.7.3.2, and 23.4.5.7.3.6. The compliance tariff revisions that NYISO intended to file and that are the subject of this errata were accurately described in the August 6, 2012 filing letter. In addition, when the NYISO served parties with a copy of the filing, it concurrently informed parties of the incorrect attachment, and also served a blackline showing the intended revisions (*i.e.*, Attachment I to this filing.)

**III. EFFECTIVE DATE**

The NYISO respectfully requests that the Commission accept these modifications effective as of June 22, 2012, consistent with the date requested in the August 6 Filing.

**IV. SERVICE**

This errata to the NYISO's August 6 Filing will be posted on the NYISO's website at [www.nyiso.com](http://www.nyiso.com). In addition, the NYISO will e-mail an electronic link to this filing to the official representative of each party to this proceeding, to each of its customers, to each participant on its stakeholder committees, to the New York Public Service Commission, and to the New Jersey Board of Public Utilities.

**V. CONCLUSION**

The NYISO respectfully requests that the Commission accept this errata for the reasons specified herein.

Respectfully submitted,

/s/ Vanessa A. Colón
