III. DOCUMENTS ENCLOSED

The NYISO submits following documents:

1. This filing letter;
2. The NYISO's Designation of Filing Party ("Attachment I"); and
3. The NYISO's Certificate of Concurrence as filed by ISO-NE ("Attachment II").

³ Waiver of the Commission's regulations (18 C.F.R. § 385.203(b)(3) (2012)) is requested to the extent necessary to permit service on counsel for the NYISO in both Richmond, VA and Washington, DC.

IV. EFFECTIVE DATE AND WAIVER REQUEST

The NYISO requests the effective date of July 10, 2013 for the Designation of Filing Party, which is the date on which ISO-NE filed the NYISO's Certificate of Concurrence with respect to the filing of the Protocol. Pursuant to Section 35.11 of the Commission's regulations, 18 CFR § 35.11, the NYISO respectfully requests that the Commission waive its 60-day notice requirement under Section 35.3(a) of the Commission's regulations, 18 CFR § 35.3(a), and make this filing effective July 10, 2013. The Commission's policy permits waivers of the 60-day prior notice requirement in cases involving non-rate changes to the terms and conditions of a Commission-accepted filing. *See Cent. Hudson Gas & Elec. Corp.*, 60 FERC ¶ 61,106, *reh'g denied*, 61 FERC ¶ 61, 189 (1992). Such a waiver will allow the Designation of Filing Party to be posted and effective on the NYISO's website on the same date as ISO-NE's filing of the Protocol. Granting the waiver will not adversely affect any entity; it would simply permit the NYISO and other parties to the Protocol to take advantage of the Commission's certificate of concurrence procedures. To the extent that the Commission determines that any requirements of 18 CFR § 35 apply that have not been specifically addressed herein, the NYISO respectfully requests a waiver of such requirements.

V. SERVICE

The NYISO will send an electronic copy of this filing to the official representative of each party to this proceeding, to the official representative of each of its customers, to each participant on its stakeholder committees, to the New York Public Service Commission and the New Jersey Board of Public Utilities. In addition, the complete public version of this filing will be posted on the NYISO's website at www.nyiso.com.

VI. CONCLUSION

The NYISO respectfully requests that the Commission accept this filing effective July 10, 2013.

Respectfully submitted,

By: /s/ Carl F. Patka
