Re: *New York Independent System Operator, Inc.*, Filing to Supplement the  
Record; Docket No. ER19-2665-000

Dear Secretary Bose:

On August 21, 2019, the New York Independent System Operator, Inc. (“NYISO”) filed, with the Federal Energy Regulatory Commission (“Commission”), an executed Large Generator Interconnection Agreement entered into by the NYISO, National Grid, as the Connecting Transmission Owner, and Ball Hill Wind Energy, LLC. The Interconnection Agreement is labeled as Service Agreement No. 2473 under the NYISO’s Open Access Transmission Tariff.

The NYISO submits this filing to supplement the record with a signature page that was inadvertently omitted from the earlier filing (Attachment IV).

## **I. Service**

The NYISO will send an electronic link to this filing to the official representative of each party to this proceeding, to the official representative of each of its customers, to each participant on its stakeholder committees, to the New York Public Service Commission, and to the New Jersey Board of Public Utilities. In addition, the complete filing will be posted on the NYISO’s website at [www.nyiso.com](http://www.nyiso.com).

## **II. Conclusion**

The NYISO respectfully requests that the Commission accept this filing to supplement its earlier filing in the above captioned proceeding. The requested effective date of the Interconnection Agreement remains the same as that proposed in the earlier filing in this proceeding.

Respectfully submitted,

Sara B. Keegan
