Reference: SCR Offer Floor Compliance Filing

On November 23, 2020, New York Independent System Operator, Inc. (NYISO) filed a compliance filing in accordance with the Commission's October 7, 2020 Order¹ that directed NYISO to modify section 23.4.5.7.5 of NYISO's Market Administration and Control Area Services Tariff (Services Tariff)² to explicitly exclude from the calculation of the offer floor for Special Case Resources (SCR) the monthly value of any payments or other benefits the SCR receives from a retail-level demand response program designed to address distribution-level reliability needs that the Commission has, on a program-specific basis, determined should be excluded.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective on October 7, 2020, as requested.

The filing was noticed on November 24, 2020, with comments, interventions and protests due on or before December 14, 2020. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2019)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.
