New York Independent System Operator, Inc.

Docket No. ER25-2799-000

ERRATA NOTICE

(September 17, 2025)

On September 5, 2025, Commission staff issued a delegated letter order in Docket No. ER25-2799-000 accepting a Second Amended and Restated Standard Large Generator Interconnection Agreement among New York Independent System Operator, Inc., New York Power Authority, as Connecting Transmission Owner, and Hecate Energy Cider Solar LLC as Developer. The delegated letter order inadvertently stated “Amended and Restated Standard Large Generator Interconnection agreement.” This errata corrects the description to state “Second Amended and Restated Standard Large Generator Interconnection Agreement.”
