The NYISO served the filing upon each person designated on the official service list compiled by the Secretary in this proceeding in accordance with the requirements of Rule 210 of the Rules of Practice and Procedure, 18 C.F.R. § 385.210, however, the certificate of service was inadvertently omitted from the NYISO's filing.

The NYISO respectfully requests leave to supplement the record to include the attached certificate of service. The NYISO resubmits the Informational Report here, identical to the prior submission, with the certificate of service attached.

2. The *Eleventh Informational Report on Efforts to Develop Rules Addressing Compensation to Generators that Are Determined to be Needed for Reliability*, including a properly executed certificate of service dated March 16, 2016.
