**Re: *New York Independent System Operator, Inc., Compliance Filing to Remove Rejected Language from, and Insert Missing Language into, its Open Access Transmission Tariff; Docket No. ER13-1942-00\_\_\_, et. al.***

Dear Secretary Bose:

In accordance with the requirements of the Federal Energy Regulatory Commission's ("Commission's") April 1, 2016 order in this proceeding,<sup>1</sup> the New York Independent System Operator, Inc. ("NYISO") submits this filing to "(1) remove certain rejected tariff language from section 31.4 of the OATT in the currently effective tariff record (effective date of August 28, 2015), and (2) correct the tariff language in section 6.1.6 of the OATT in the superseded record filed in Docket No. ER12-718-001 (effective date of January 15, 2013)."<sup>2</sup>

## **I. Description of Tariff Corrections**

### **A. OATT Section 31.4**

In the NYISO's July 13, 2015 compliance filing in Docket No. ER13-1942-001, the NYISO included pending provisions to OATT Section 31.4 that were proposed in a June 29, 2015 filing in Docket No. ER15-2059-000 to become effective on August 28, 2015, in order to complete the record for that effective date. The June 29 filed provisions were subsequently rejected. A version of OATT Section 31.4 with the rejected language removed and an assigned effective date of August 28, 2015, is filed herewith.

When the NYISO filed, on July 18, 2012, revisions to OATT Section 6.1 in Docket No. ER12-2260-000 to be effective on April 5, 2012, it inadvertently omitted a version of the section including language that was filed on May 1, 2012 in Docket number ER12-718-001, to be effective January 15, 2013. A corrected version of OATT Section 6.1, effective January 15, 2013, is filed herewith.

## **II. Documents Submitted**

The NYISO submits this filing letter and the following documents:
