Re: *New York Independent System Operator, Inc.*, Docket No. ER16-1213-____;
Amendment to Compliance Filing Establishing an Effective Date for Behind-the-Meter
Net Generation Tariff Revisions

Dear Secretary Bose:

On November 29, 2016, the New York Independent System Operator, Inc. (“NYISO”) submitted to the Federal Energy Regulatory Commission (“Commission”) a Compliance Filing Establishing an Effective Date for Behind-the-Meter Net Generation Tariff Revisions (“Compliance Filing”).¹ The Compliance Filing advised the Commission that the revisions described therein would become effective for the December 13, 2016 market day. The NYISO has discovered that Market Administration and Control Area Services Tariff (“Services Tariff”) Section 23.4.5 inadvertently included tariff language that was proposed by the NYISO in Docket No. ER16-1751-000,² and accepted by the Commission on July 18, 2016, but will not become effective until after December 13, 2016.³

To correct the inadvertent inclusion of accepted but not yet effective tariff revisions unassociated with Docket No. ER16-1213, the NYISO hereby submits to the Commission a corrected version of Services Tariff Section 23.4.5 to become effective on December 13, 2016. The language proposed and accepted in Docket No. ER16-1751-000 has been removed.
