Re: *New York Independent System Operator, Inc.*, Docket No. ER11-\_\_\_\_-000  
Proposed Tariff Revisions to Schedules A and B of the Joint Operating  
Agreement with PJM

Dear Ms. Bose:

Pursuant to Section 205 of the Federal Power Act,<sup>1</sup> the New York Independent System Operator, Inc. (“NYISO”) hereby submits proposed amendments to the Joint Operating Agreement Among and Between New York Independent System Operator Inc. and PJM Interconnection, L.L.C. (“JOA”), designated as Section 35, Attachment CC of the NYISO Open Access Transmission Tariff (“OATT”). These amendments provide clarifying edits and correct facilities listings. No substantive changes are intended by these amendments which have been approved by the NYISO Management Committee and its Board.

## **I. Documents Submitted**

1. This filing letter;
2. A clean version of the proposed revisions to the NYISO’s OATT (“Attachment I”); and
3. A blackline version of the proposed revisions to the NYISO’s OATT (“Attachment II”)

## **II. Description of Proposed Tariff Revisions**

The NYISO proposes to amend OATT Section 35.20, Schedules A and B of the JOA. The revisions to Schedule A “Description of Interconnection Facilities” reflect facility changes and updates to which NYISO and PJM have agreed. They are:

---

<sup>1</sup> 16 U.S.C. §824d (2010).

- The addition of i) the Linden VFT-Linden Cogen VFT; ii) the S. Mahwah-Waldwick J3410; and iii) the S. Mahwah-Waldwick K3411 Interconnection facilities as facilities to which the Joint Operating Agreement applies;
- The deletion of the normally opened Franklin-SugarLoaf SJ & SD facilities because interconnection facility coordination is not required between the NYISO and PJM.
- Other minor spelling, clarification and grammatical corrections.

In Schedule B “Other Existing Agreements” the NYISO proposes to add to the list of agreements, as number 8.0, the Joint Emergency Operating Protocol among PJM Interconnection, L.L.C., New York Independent System Operator, Inc., and Linden VFT, LLC, dated September 10, 2009.<sup>2</sup>

### **III. Effective Date**

The NYISO requests an effective date for the proposed tariff revisions of 60 days from the date of this filing, or August 13, 2011.

### **IV. Certificate of Concurrence**

PJM, co-signatory to the JOA, will file and post a certificate of its concurrence with this filing in accordance with 18 CFR 35.1(a).

### **V. Stakeholder Approval**

The NYISO’s Management Committee approved this proposal on February 24, 2011. The NYISO Board of Directors approved this filing on April 19, 2011.

### **VI. Communications and Correspondence**

All communications and service in this proceeding should be directed to:

Robert E. Fernandez, General Counsel

\* Designated to receive service.

## **VII. Service**

The NYISO will send an electronic link to this filing to the official representative of each of its customers, to each participant on its stakeholder committees, to the New York Public Service Commission, and to the New Jersey Board of Public Utilities. In addition, the complete filing will be posted on the NYISO's website at [www.nyiso.com](http://www.nyiso.com).

## **VIII. Conclusion**

Wherefore, for the foregoing reasons, the New York Independent System Operator, Inc. respectfully requests that the Commission accept this filing to be effective August 16, 2011.

Respectfully submitted,

/s/ Mollie Lampi

Mollie Lampi

Assistant General Counsel

New York Independent System Operator, Inc.
