**Re: New York Independent System Operator, Inc.; NAESB Compliance Filing and Request for Waivers; Docket Nos. RM05-5-029, RM05-5-030, ER21-2526-000, ER21-2526-00\_**

Dear Secretary Bose:

On July 27, 2021, the New York Independent System Operator, Inc. (“NYISO”) submitted, in the above-captioned docket, its Compliance Filing and Request for Waivers pertaining to certain North American Energy Standards Board (“NAESB”) Wholesale Electric Quadrant (“WEQ”) business practice standards as set forth in Commission Order 676-I and subsequent Errata Notice (hereinafter, “NAESB Filing”). After submitting its NAESB Filing, the NYISO discovered errors in its filing letter and in the tariff sections that were submitted with the filing. The NYISO respectfully submits the enclosed errata to correct those errors.

**I. Errata**

Among the changes made in this most recent version of the NAESB standards is that the standards formerly set forth in WEQ-001-18, WEQ-001-19, and WEQ-001-D (Appendix D) have been relocated to WEQ-023. In its NAESB Filing, the NYISO mis-identified these requirements by their previous numbering, rather than reflecting that they have been incorporated into WEQ-023. Consequently, the NYISO submits herewith tariff sections reflecting the following revisions:

- (1) Deleting the requested waivers to WEQ-001-18, WEQ-001-19, and WEQ-001-D (Appendix D); and
- (2) Adding in place a waiver of WEQ-023-5; WEQ-023-5.1; WEQ-023-5.1.1; WEQ-023-5.1.2; WEQ-023-5.1.2.1; WEQ-023-5.1.2.2; WEQ-023-5.1.2.3; WEQ-023-5.1.3; WEQ-023-5.2; WEQ-023-6; WEQ-023-6.1; WEQ-023-6.1.1; WEQ-023-6.1.2; and WEQ-023-A (Appendix A).

The rationale set forth in the NAESB Filing for seeking waivers of WEQ-001-18, WEQ-001-19 and WEQ-001-D (Appendix D) applies in equal force to standards WEQ-023-5; WEQ-023-5.1; WEQ-023-5.1.1; WEQ-023-5.1.2; WEQ-023-5.1.2.1; WEQ-023-5.1.2.2; WEQ-023-

5.1.2.3; WEQ-023-5.1.3; WEQ-023- 5.2; WEQ-023-6; WEQ-023-6.1; WEQ-023-6.1.1; WEQ-023-6.1.2; and WEQ-023-A (Appendix A).

Additionally, the NYISO proposes the following ministerial revisions to both the OATT and Services Tariff sections:

- Formatting of the names of WEQ-000 and WEQ-023 is revised consistent with the Errata Notice issued by the Commission in this matter on March 3, 2020;
- A reference to FERC Order 676-J is deleted;
- A place holder was added to indicate a reference to the order granting each requested NAESB standard waiver, which the NYISO anticipates inserting pursuant to a subsequent compliance filing obligation;
- Two cross references in Services Tariff Section 5.1 are corrected; and
- The effective date for the proposed tariff revisions has been changed to 12/31/9998.

## **II. Documents Submitted with this Filing Letter**

1. A redlined version of the NYISO's Services Tariff Section 5.1 reflecting the changes described above ("Attachment I");
2. A clean version of the replacement version of Section 5.1 incorporating the changes described above ("Attachment II");
3. A redlined version of the NYISO's OATT Section 2.17 reflecting the changes described above ("Attachment III"); and
4. A clean version of the replacement version of Section 2.17 incorporating the changes described above ("Attachment IV").

## **III. Service**

This errata to the NAESB Filing will be posted on the NYISO's website at [www.nyiso.com](http://www.nyiso.com). In addition, the NYISO will e-mail an electronic link to this filing to the official representative of each party to this proceeding, to each of its customers, to each participant on its stakeholder committees, to the New York Public Service Commission, and to the New Jersey Board of Public Utilities.

#### IV. Conclusion

The New York Independent System Operator, Inc. respectfully requests that the Commission accept for filing the proposed Services Tariff and OATT corrections that are attached hereto, with an effective date of 12/31/9998.

Respectfully submitted,

/s/ Christopher Sharp
