Re: *New York Independent System Operator, Inc.*, Amendment to Compliance Filing
Submitting Technical Corrections to Electronic Tariff Records; Docket No.
ER19-467-00_.

Dear Secretary Bose:

On September 3, 2020, the New York Independent System Operator, Inc. (“NYISO”) submitted to the Federal Energy Regulatory Commission (“Commission”) an Errata¹ to its August 12, 2020, Compliance Filing Establishing an Effective Date for its Energy Storage Resource Participation Model (the “September 2020 Filing”).² The September 2020 Filing remedied inadvertent errors in Market Administration and Control Area Services Tariff (“Services Tariff”) Sections 2.18,³ and 23.2.⁴ The September 2020 Filing requested effective dates of August 26, 2020 for Section 2.18 and September 8, 2020 for Section 23.2.

The NYISO submitted a technical correction to the September 2020 Filing on October 20, 2022, amending the September 2020 Filing to remove language proposed in Docket No. ER20-1718-000, *et al.*, from the version of Services Tariff Section 23.2 included in the September 2020 Filing (the October 2022 Filing).⁵ The NYISO thereafter became aware of additional corrections necessary in Services Tariff Section 23.2. The NYISO hereby amends Services Tariff Section 23.2.1 to include certain defined terms that were effective as of September 8, 2020, but inadvertently omitted in the October 2022 Filing.

¹ *New York Indep. Sys. Operator, Inc.* September 3, 2020 Errata to Compliance Filing Establishing an Effective Date for the Energy Storage Resource Participation Model, Docket No. ER19-467-007.

² *New York Indep. Sys. Operator, Inc.* August 12, 2020 Compliance Filing Establishing an Effective Date for the Energy Storage Resource Participation Model, Docket No. ER19-467-000, *et al.*

³ Correcting the omission of Services Tariff Section 2.18 from the August 12, 2020, Compliance Filing.

⁴ Merging language that the Commission accepted in Docket No. ER19-467-000, *et al.*, with language the NYISO proposed to become effective before September 8, 2020, but that the Commission had not yet accepted, in Docket No. ER20-1718-000, *et al.*

⁵ *New York Indep. Sys. Operator, Inc.* October 20, 2022 Amendment to Compliance Filing Submitting Technical Corrections to Electronic Tariff Records, Docket No. ER19-467-008.

The version of Services Tariff Section 23.2 submitted in this filing supersedes the version submitted with the September 2020 and October 2022 Filings and maintains the effective date of September 8, 2020.

I. List of Documents Submitted

The NYISO submits the following with this filing letter:

1. A clean version of Services Tariff Section 23.2 with an effective date of September 8, 2020 (“Attachment I”).

II. Description of Filing

The version of Services Tariff Section 23.2 submitted in this filing adds back the defined terms “Qualified Renewable Exemption Applicant,” “Renewable Exemption Applicant,” “Renewable Exemption Applicant,” and “Renewable Exemption Bank” that were inadvertently omitted in the October 2022 Filing. The NYISO submits this filing to correct the tariff records to accurately reflect the version of Services Tariff Section 23.2 that was effective as of September 8, 2020.

III. Service List

The NYISO will send an electronic copy of this filing to the official representative of each party to this proceeding, to the New York Public Service Commission, and to the New Jersey Board of Public Utilities. In addition, a complete copy of this filing will be posted on the NYISO’s website at www.nyiso.com, and the NYISO will send an electronic link to this filing to the official representative of each of its customers and to each participant on its stakeholder committees.

IV. Conclusion

The NYISO respectfully requests that the Commission accept this filing with an effective date of September 8, 2020 for Services Tariff Section 23.2.

Respectfully submitted,

/s/ Gregory J. Campbell
