Re: Notice of Cancellation of Service Agreement No. 2600 to the New York
Independent System Operator, Inc.'s Open Access Transmission Tariff, Docket
No. ER25-_____

Dear Ms. Reese:

Pursuant to Section 205(d) of the Federal Power Act¹ and Sections 35.9 and 35.15 of the Commission's regulations,² the New York Independent System Operator, Inc. ("NYISO") hereby tenders for filing and acceptance a Notice of Cancellation of the Amended and Restated Small Generator Interconnection Agreement ("Amended Agreement") for the Tayandenega Solar project (NYISO Queue Position No. 565) among the NYISO, Niagara Mohawk Power Corporation d/b/a National Grid ("National Grid") as the Connecting Transmission Owner, and Tayandenega Solar, LLC ("Tayandenega") as the Interconnection Customer (collectively, the "Parties"). The Amended Agreement is designated as Service Agreement No. 2600 of the NYISO's Open Access Transmission Tariff ("OATT").

I. Background

The Amended Agreement concerns the interconnection of Tayandenega's proposed 20 MW solar electricity generation facility to National Grid's transmission system. The Amended Agreement was fully executed by the Parties on November 23, 2024, and superseded the Small Generator Interconnection Agreement ("Original Agreement") previously executed by the Parties on March 3, 2021. The interconnection agreement included certain non-conforming revisions to the NYISO's *pro forma* Small Generator Interconnection Agreement ("Pro Forma SGIA") located in Attachment Z of the NYISO OATT, which non-conforming revisions were filed with, and accepted by, the Commission.³

¹ 16 U.S.C. § 824d.

² 18 C.F.R. §§ 35.9, 35.15 (2025).

³ The Original Agreement included certain non-conforming revisions to the NYISO's Pro Forma SGIA and was filed with and accepted by the Commission. *See New York Independent System Operator, Inc.*, Letter Order, Docket No. ER21-1529-000 (May 20, 2021). The Amended Agreement did not contain any non-conforming revisions to the NYISO's Pro Forma SGIA that were not already filed with and accepted by the Commission for the Original Agreement. *See New York Independent System Operator, Inc.*, Letter Order, Docket No. ER25-680-000 (Feb. 6, 2025).

II. Notice of Cancellation

Article 3.3.1 of the Amended Agreement provides that the “Interconnection Customer may terminate this Agreement at any time by giving the NYISO and Connecting Transmission Owner 20 Business Days written notice.” Article 3.3 further provides that the termination of the agreement will not be effective “until the Parties have complied with all Applicable Laws and Regulations applicable to such termination, including the filing with FERC of a notice of termination of this Agreement (if required), which notice has been accepted for filing by FERC.”

On June 23, 2025, Tayandenega provided written notice to the NYISO and National Grid that it was acting pursuant to Article 3.3.1 to terminate the Amended Agreement (“Termination Notice”).⁴ A copy of the Termination Notice is included as Attachment I. The twenty (20) Business Day period was completed on July 22, 2025. With the exception of the final billing and payment of amounts owed in accordance with the termination provisions of the Amended Agreement, the parties have confirmed that there are no remaining obligations under the Amended Agreement.⁵

Therefore, pursuant to Article 3.3 of the Amended Agreement, the Amended Agreement is terminated, subject to the Commission accepting this notice terminating the agreement. Accordingly, the NYISO hereby submits this Notice of Cancellation of Service Agreement No. 2600 of the NYISO OATT for the Commission’s acceptance.

III. Requested Effective Date

The NYISO respectfully requests that the proposed cancellation become effective on October 15, 2025 (*i.e.*, the day after the end of the statutory 60-day notice period).

IV. Documents Submitted

The NYISO submits the following document with this filing letter:

- Tayandenega’s June 23, 2025 Termination Notice (dated June 2, 2025) (Attachment I).

V. Communications and Correspondence

All communications and service in this proceeding should be directed to:

⁴ The Termination Notice is dated June 2, 2025, but was delivered to the NYISO via email on June 23, 2025.

⁵ Pursuant to Article 3.3.4 of the Amended Agreement, the “termination of this Agreement shall not relieve any Party of its liabilities and obligations, owed or continuing at the time of the termination. The Interconnection Customer shall pay all amounts in excess of any deposit or other security without interest within thirty (30) calendar days after receipt of the invoice for such amounts. If the deposit or other security exceeds the invoice, the Connecting Transmission Owner shall refund such excess within thirty (30) calendar days of the invoice without interest....”
