**JOINT MOTION OF PARTIES FOR DEFERRAL OF  
COMMENT PERIOD AND REQUEST FOR EXPEDITED ACTION**

Pursuant to Rule 212 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (FERC or Commission), 18 C.F.R. § 385.212 (2012), Marble River, LLC (Marble River), Noble Clinton Windpark I, LLC, Noble Ellenburg Windpark, LLC, Noble Chateaugay Windpark, LLC (collectively, Noble), and the New York Independent System Operator, Inc. (NYISO) (Marble River, Noble, and NYISO collectively, the Parties) hereby jointly move to defer the comment period in this proceeding from the December 5, 2012 deadline for filing answers, interventions, and comments in response to Marble River’s complaint to January 25, 2013. The temporary deferral will allow the Parties to attempt to negotiate a resolution of their dispute. Due to the imminence of the December 5 comment deadline, the Parties also request expeditious Commission action on this motion.

As noted in its November 15, 2012 complaint, Marble River and Noble have had prior discussions regarding the issues presented in this case that did not result in the resolution of those issues. Accordingly, Marble River represented in the complaint that alternative dispute resolution procedures are not likely to be useful in the resolution of this case. However, since the complaint was filed, Marble River, Noble, and NYISO have agreed to attempt to resolve the case informally. To the extent that the Parties can resolve their dispute in this manner, there will be no need for a Commission determination of the issues. Therefore, the Parties respectfully request a temporary deferral of the comment period until January 25, 2013 to allow the Parties the opportunity to achieve a negotiated resolution of the dispute. The Parties will notify the Commission as to the need for further procedures prior to expiration of the requested deferral.

WHEREFORE, for the reasons set forth herein, the Parties jointly request that the Commission defer the comment period in this proceeding until January 25, 2013. The Parties further request that the Commission act on this motion in an expeditious manner.

Respectfully submitted,

/s/ Margaret A. Moore
