**JOINT MOTION OF PARTIES FOR ADDITIONAL DEFERRAL OF
COMMENT PERIOD AND REQUEST FOR EXPEDITED ACTION**

Pursuant to Rule 212 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (FERC or Commission), 18 C.F.R. § 385.212 (2012), Marble River, LLC (Marble River), Noble Clinton Windpark I, LLC, Noble Ellenburg Windpark, LLC, Noble Chateaugay Windpark, LLC (collectively, Noble), and the New York Independent System Operator, Inc. (NYISO) (Marble River, Noble, and NYISO collectively, the Parties) hereby jointly move to defer the comment period in this proceeding by an additional fourteen (14) days – from the extended January 25, 2013 deadline for filing answers, interventions, and comments in response to Marble River’s complaint to February 8, 2013. The temporary deferral will allow the Parties to continue to negotiate a resolution of their dispute. Due to the imminence of the January 25 comment deadline, the Parties also request expeditious Commission action on this motion.

As noted in the November 29, 2012 Joint Motion of Parties for Additional Deferral of Comment Period and Request for Expedited Action (“November 29 Motion”), Marble River, Noble, and NYISO have agreed to attempt to resolve the case informally. Toward that end, the Parties have been engaged in productive discussions to attempt to resolve the dispute in this manner and thereby eliminate the need for a Commission determination of the issues. In order to allow the Parties additional time to continue such efforts, the Parties respectfully request an extension of the temporary deferral of the comment period until February 8, 2013 to allow the Parties the opportunity to achieve a negotiated resolution of the dispute. The Parties will notify the Commission as to the need for further procedures prior to expiration of the requested deferral.

WHEREFORE, for the reasons set forth herein, the Parties jointly request that the Commission further defer the comment period in this proceeding until February 8, 2013. The Parties further request that the Commission act on this motion in an expeditious manner.

Respectfully submitted,

/s/ Margaret A. Moore
