Re: New York Independent System Operator, Inc.  
Docket No. ER12-2317-000 – Compliance Filing

Dear Secretary Bose,

In its October 4, 2013 Letter Order in the above-referenced docket, the Federal Energy Regulatory Commission (the “Commission”), approved the uncontested Offer of Settlement (“Settlement”) filed by the New York Power Authority (“NYPA”). As part of its approval of the Settlement, the Commission’s Letter Order directed NYPA to work with the New York Independent System Operator, Inc. (“NYISO”) to file within 30 days identical revisions to Section 14.2.2.4.1 of Attachment H of the NYISO’s Open Access Transmission Tariff (“OATT”) in e-Tariff format.

In compliance with the Letter Order, NYPA, working in collaboration with the NYISO, hereby supplies revised tariff records in eTariff format. In accordance with the Letter Order, such revised records are made effective August 1, 2012.

**I. Documents Submitted**

NYPA encloses the following documents:

- A. This transmittal letter;
- B. Clean tariff records reflecting the revisions to the OATT discussed herein (Attachment I); and
- C. Redlined tariff records reflecting the revisions to the OATT discussed herein (Attachment II).

## **II. Correspondence**

Copies of correspondence regarding this filing should be served to the following persons:

## **III. Service List**

NYPA, in coordination with NYISO, will electronically serve a copy of this filing on all persons on the official service list in this proceeding as well as the official representative of each of the NYISO's customers, on each participant in the NYISO's stakeholder committees, on the New York State Public Service Commission and the New Jersey Board of Public Utilities.

## **IV. Description of Proposed Tariff Changes**

NYPA proposes to make the following changes to the NYISO OATT in compliance with the Letter Order:

Section 14.2.2.4.1 ("Amended RR"), which contains NYPA's Amended Annual Transmission Revenue Requirement of NYPA effective August 1, 2012, would be changed from \$183,096,025, the amount that was conditionally accepted by the Commission in its September 25, 2012 order<sup>1</sup>, to \$175,500,000, the amount contained in the approved Settlement.

Accordingly, the revised Section 14.2.2.4.1 would read as follows:

### **"14.2.2.4.1 Amended RR**

NYPA's Amended Annual Transmission Revenue Requirement (Amended RR), effective August 1, 2012, is:

Amended RR = \$175,500,000"

## **V. Effective Date**

In compliance with the Commission's approval of the Settlement, the above-described NYISO OATT changes become effective August 1, 2012.

<sup>1</sup> *New York Independent System Operator, Inc.*, 140 FERC ¶ 61,240 (2012).

## **VI. Other Settlement Matters**

In accordance with the Settlement, NYPA will work with the NYISO to process refunds to customers based on the difference between the revenues collected under the conditionally approved revenue requirement and the Settlement revenue requirement. Such refunds will commence on the first possible NYISO billing month subsequent to the date of this filing.

## **VII. Conclusion**

Wherefore, for the foregoing reasons, NYPA respectfully requests that the Commission accept the amended tariff records filed herein.

Respectfully submitted,

/s/ Gary D. Levenson
