***Re: New York Independent System Operator, Inc.'s Informational Filing Regarding  
the Simultaneous Import Limitation Study, Docket No. AD10-2***

Dear Secretary Bose:

In accordance with Commission Order 697<sup>1</sup> and Commission staff direction, the New York Independent System Operator, Inc. ("NYISO") respectfully submits, for informational purposes, the attached presentation titled "NYISO 2012 Simultaneous Import Limit Determination." The data in this presentation was compiled by the NYISO in order to assist the New York Transmission Owners in fulfilling their obligations associated with Commission Order No. 697. This presentation details the NYISO seasonal Simultaneous Import Limits for 2012, along with the methodology used in developing these limit levels. A draft of this presentation was provided to the New York Transmission Owners to support their filing obligations, and was also reviewed with FERC staff prior to this filing.

The NYISO respectfully requests that the Commission accept this informational report. If you have any questions please do not hesitate to contact the undersigned.

Respectfully Submitted,

/s/ James H. Sweeney
