

15.9 Rate Schedule 9 -- Implementing Federal Duties on Imports of Electrical Energy from Canada

The terms of Schedule 22 of the ISO OATT are hereby incorporated by reference into this Tariff. In applying the terms of Schedule 22 of the ISO OATT in connection with this Tariff, all terms in Schedule 1 of the ISO OATT that are applicable to “Transmission Customers” shall be similarly applicable to “Customers” under this Rate Schedule 9, and the ISO shall interpret all other defined terms and cross references in Schedule 22 that are specific to the ISO OATT consistent with the similar terms and provisions of this Tariff, unless otherwise specified.
